

The Fliehr Award **for Exceptional Service to Minnesota Theatre**

In February of 1998, as part of its 25th anniversary year, The Minnesota Association of Community Theatres (MACT) established a lifetime achievement award recognizing distinguished service to Minnesota Theatre. The award was named the **Fliehr Award** in honor of Kay and Richard Fliehr, lifelong community theatre promoters and organizers across the country. Theatre in the Round, the Guthrie Theater, MACT, ACTA (Amateur Community Theatre Association), AACT (American Association of Community Theatre) and many other theatres and organizations benefitted from the Fliehrs' knowledge, devotion, energy and excitement in the art and craft of theatre.
